## **FRANKIE'S FRIENDS 2010 MEMORIAL CALENDAR –**

This calendar is dedicated to “Frankie”, a very special feral cat. Proceeds will go to helping many other feral cats, in his honor. Frankie was one of the first cats I TNR'd (trap/neuter/returned) and was the one who inspired me to form *Street Cat Rescue*.

Through the years, Frankie became trusting enough, to occasionally let me pet him and give him back scratches. He was very comical and everyone at work loved him. He was featured in the *Austin American-Statesman*, in an article on taming the feral cat population, which is framed at the Austin Humane Society.

Frankie passed away suddenly over Labor Day weekend 2007, almost three years from the day he was born. I was so deeply saddened. He is greatly missed by so many, but especially me. I will forever cherish the memories of our special visits and him staring in my office front door, sending a message for me to “come out now”. Frankie leaves his mother “Kitty Mama” behind, who became very depressed too, when Frankie died. She has now taken on his comical “role”. Things are not the same without Frankie- but his legacy will live on.

Frankie's story is now featured on our website, originally posted on the Best Friends of Texas Network website. Thank you for supporting Street Cat Rescue and feral cats throughout the Austin area. I took most of these photos this past year but when Frankie died, had the idea of creating a Memorial photo calendar. On each page, you can see how love and care, have given these cats health and “life”. Each cat in the photos, has an “ear tip” on the left ear- a universal sign that the cat has been TNR'd and part of a managed feral colony. I hope you enjoy this special calendar, supporting the great cause of Trap/Neuter/Return of feral and stray cats. TNR works- It works for the cats and the community.

To my Beloved Frankie-”You will forever be in my heart”.
